Call Me Maybe

Carly Rae Jepsen

I threw a wish in the well
Don't ask me I'll never tell
I looked at you as it fell
And now you're in my way
I'd trade my soul for a wish
Pennies and dimes for a kiss
I _____ for this
But now you're in my way

Your stare _____

Ripped jeans, skin _____
Hot night, wind _____
Where you think you're going baby?

Hey, I just met you and this is crazy
But here's my number, so call me maybe
It's hard to look right at you baby
But here's my number, so call me maybe
Hey I just met you and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me
But here's my number, so call me maybe

You took your time with the call
I took no time with the fall
You gave me nothing at all
But still you're in my way
I beg and borrow and steal
At first sight and it's real
I didn't know I would feel it
But it's in my way

Your stare _____
Ripped jeans, skin _____
Hot night, wind _____
Where you think you're going baby?

Hey, I just met you and this is crazy
But here's my number, so call me maybe
It's hard to look right at you baby
But here's my number, so call me maybe
Hey I just met you and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me
But here's my number, so call me maybe

Before you came into my life
I missed you so bad
I missed you so bad
I missed you so so bad
Before you came into my life
I missed you so bad
And you should know that
I missed you so so bad

It's hard to look right at you baby
But here's my number, so call me maybe

Hey, I just met you and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me
But here's my number, so call me maybe

Before you came into my life
I missed you so bad
I missed you so bad
I missed you so so bad
Before you came into my life
I missed you so bad

And you should know that
So call me maybe
