**Keep Holding On** 

Avril Lavigne

You're not alone
Together we stand
I be by your side, you know I take your hand
When it gets cold
And it feels like the end
There's no place to go
You know I give in
No Igive in
Keep holding on
'Cause you know wemake it through, we make it through
Just stay strong
'Cause you know I'm here for you, I'm here for you
There's nothing you could say
Nothing you could do
There's no other way when it comes to the truth
So keep holding on
'Cause you know we make it through, we'll make it through
So far away
I wish you were here
Before it's too late, this could all disappear
Before the doors close
And it comes to an end
With you by my side I fight and defend
I fight and defend Yeah, yeah
Tean, year
Keep holding on
'Cause you know we make it through, we make it through
Just stay strong
'Cause you know I'm here for you, I'm here for you
There's nothing you could say
There's nothing you could say Nothing you could do
Nothing you could do There's no other way when it comes to the truth So keep holding on
Nothing you could do There's no other way when it comes to the truth
