Nesta semana continuaremos com a estrutura **PAST PERFECT CONTINUOUS**

Lembram que são 2 orações, uma com **past perfect continuous** e outra com **simple past**. A oração que tem a conjunção **when, before, after** leva o **simple past**. Já a outra, leva o **past perfect continuous**.

Ex.: Joana had been walking three miles a day **before** she broke her leg.
I had been working for the same company for 5 years **when** I got the promotion.

OBSERVE: O lado das orações que tem **before/when** levam o *simple past* (broke/got) e o outro lado leva o *past perfect continuous* (had been working/had been walking).
